# B\*Tru Arts Scholarship Policies and Guidelines

B\*Tru Arts is committed to bringing together a diverse student population and to assisting families that may not be able to afford full tuition.

Available funds are determined by the B\*Tru Arts Owner and are included in the organization's annual budget. A Scholarship Committee reviews and makes recommendations for scholarships.

B\*Tru Arts provides scholarships to students based on financial need, household size, family income, availability of funds, and school needs. Scholarship applications are accepted at the beginning of the Fall, Spring and Summer sessions and should accompany your class registration form with your \$35 registration fee.

- Scholarships are awarded as a percentage of tuition. There may be a very limited number of full tuition scholarships available in any given semester.
- Scholarships may be decreased or terminated if a student/family demonstrates a low level of commitment to their classes or is absent an excessive number of times.
- Families with an unpaid tuition balance at the end of any semester will not be eligible for scholarships until the balance is paid.

## **The Scholarship Application must include:**

- Completed application form
- Completed registration form and registration fee
- One of the following:
  - Most recent Federal Tax Return
  - W2 Forms documenting income on tax return
  - The previous two months pay stubs for all wage earners in the family.
- A short letter (no more than one page) from the parent or guardian describing why B\*Tru Arts classes would be beneficial to your child and explaining why you are requesting a scholarship. Incomplete applications will not be eligible for consideration.

### **Notice of Non-Discrimination Policy**

B\*Tru Arts admits students of all race, color, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of any race, color, national or ethnic origin in the administration of its educational policies, administration policies, scholarships and loan programs and other school-administered programs.
